EDITORIAL

This, the Summer edition of the Journal will, I hope, be mailed relatively soon after you receive the Spring edition. Notice I say "relatively soon" - the operative phrase; to become seasonally correct I'll probably have to run rather smaller, and deadline-controlled, issues for the remainder of the year. Previously, my deadlines have been quite loose but with a tighter control hopefully you'll read the Winter issue 1985 at Christmas time.

If you have articles projected please do not let my attempted squeeze play deter you - send them in and I'll print them in the next available issue.

My editorial is to be a reporting of our two meetings in Memphis, on 15 June 1985 - those of the SCCS Board of Governors and the General meeting of the membership. The minutes were taken by Ken Barr, Publicity Chairman of the Society. Unfortunately, two members of the board, Jay Jackson and Dana Marr, were unable to attend due to illness.

While not as many members attended the General meeting as signed the SCCS table "attendance roster" I am pleased to report that there were at least 37 members present at the ninth International Paper Money Show; I may have missed locating other members in attendance.

As an aside, last year "our" type of vignettes began to show up on dealers tables; this year there was a veritable flood of them. I could have easily left behind $500 more than I did spend, had I been able to afford it.

The SCCS Board Meeting was called to order by Dr. Curt Radford at 2:30 p.m., 15 June 1985. In attendance with Dr. Radford were Ed Beers, Vice President; Ken Barr, Publicity Chairman and Robin Ellis, Editor, SCJ.

In order, the subjects discussed were:

1. Finance: The annual Financial Report was sent in by Jay Jackson and delivered on Saturday morning by Federal Express. (See publication elsewhere in this Journal.) We have a balance on hand, 13 June 1985, of $7,308.18.

2. Journal:

a. New printer is Dover Litho Company of Dover, Delaware. Size, format, basic press run will not change.

b. Advertising costs are currently about $41 per page, with current charge per page being $20. This shows that we are subsidizing advertising, therefore:

c. Moved and Passed that, effective with the Fall 1985 edition of the Journal, advertising space will be charged at the rate of $35 per full page, $20 per half-page and $15 per one-third-page. Any special typesetting charges will be billed. (No change to free ad's authorized each dealer and member.)

d. Question was raised about mailing permit. Robin Ellis was requested to inform Dover Litho of our non-profit status and see how it might relate to mailing methods. (Editor: Dover Litho will use their mailing permit.)

3. AMERIPEX '86.

a. Ten day show, 22 May - 1 June.

b. SCCS has requested a meeting date of 24 May, the first Saturday of the show.

c. "Club" table will cost $400; Essay-Propf Society willing to share table with us and absorb half the cost.

d. Curt Radford to contact Chuck Teeman, Director at Large, and ask if he will coordinate SCCS activities at show.

4. Auctions.

a. Gross sales are $1,500 - $3,000 per auction. With 10% to SCCS, the four or five pages required for listings are not productive, therefore, new formatting will be tried. Robin Ellis and Vern Potter will attempt to solve this thereby making each page more cost effective.

b. Minimum Lot price will be raised to $5 effective with the auction in the Winter 1985 Journal.

c. A donation auction with all proceedings to go to the Society will be staged. Vern Potter to be asked to handle all arrangements for same.

5. Promotion. Article reprints to be provided to the numismatic and philatelic press, if authors so permit. Robin Ellis will act as intermediary.

6. Logo.

a. Several designs have been submitted and all were reviewed.

b. Selected design was "Liberty Rising". Design submitted will be slightly modified to include the "SCCS" linked lettering emblem rather than the block letters as originally submitted.

c. Song Ho Kim (SCCS 879) submitted winning entry. Curt Radford will send him the winning entry prize, an F 1962B souvenir card (BEP building vignettes).

7. Publicity.

a. Ken Barr to note our non-profit status in future releases.

PRESIDENT'S PAGE

Curtis D. Radford, M.D.
President, SCCS

IPMS '85 has come and gone and once again proved to be an important show for the SCCS. We had a table at the show and were successful in signing up a lot of old SCCS members. It was great seeing our fellow board members again as well as meeting other SCCS members I had corresponded with in the past. Prior to our general meeting, we had a board meeting. Much society business was accomplished there and is outlined in Ken Barr's notes from the meeting printed as the Editorial in this issue.

Financially, the SCCS is holding its own. The expected income from the sales of the Plate Printers Union Eagle card should give us a better financial cushion. The four board members present at Memphis agreed to stay on for another two-year term if need be. This apparently will be necessary as no other SCCS members have shown any interest in running for office so far. Our next annual meeting will be held at AMERIPEX '86 in Chicago. We will be splitting a table there with the ESSAY-PROOF SOCIETY. The Board of Directors meeting will be Saturday, 24 May 1986 from 1 to 2:45 p.m. The Society General Meeting will be the same date, from 3 to 4:45 p.m. and with enough room for 100 people. AMERIPEX '86 will be the largest philatelic show ever held, with over two hundred dealers and hundreds of thousands of visitors expected. Many souvenir cards and stamps will be issued there. The show runs from 22 May to 1 June, 1986. Please plan now on attending. Chuck Teeman will coordinate our activities there.

The SCCS selected its new logo featuring a vignette of Miss Liberty rising through the clouds modeled after the 1979 Snipes card. This design was submitted by Song Ho Kim, who will shortly be receiving a 1962 BEP Centennial card as a prize. We still are accepting proposals for a SCCS card to be issued at AMERIPEX '86. The winner of this design competition will also receive the BEP Centennial card worth $100.

This issue contains part four, the final installment of the revised SCCS numbering system for "forerunner" souvenir cards. Part four lists the "forerunner" security printing firm cards. This listing was particularly difficult to put together, partly because it is so incomplete. Several of the listings were placed as I had received photocopies of certain "forefunner" items with color descriptions and measurements from SCCS members. Please, if you have any "forerunner" material you feel should be listed in any of the four categories (F, FB, FPS and FSO), send me a photocopy. I also welcome any feedback on the SCCS numbering system - both negative or positive. Ken Barr is putting our numbering system on his computer so we can supply an update for the SCCS catalog in the near future.

Lastly, I once again urge SCCS members to promote the Society and hobby. Sign up new members, write articles on souvenir cards for the SCJ and other publications. The souvenir card hobby has a credibility problem. Too many consider souvenir cards as worthless, back of the book, second rate collectibles. It's up to us to further the hobby and show them otherwise. The BEP cards sold in 1984 had the lowest sales since 1969, this despite improvements in the cards and lower prices. Hence, promotion of our hobby is very much needed. We are hoping the BEP will include SCCS applications with their card mailings. Also, Russell Bell offered us his mailing list for sending out SCCS applications. The bottom-line, however, is that you need to recruit members and promote the hobby by talking at hobby clubs, writing articles, etc.

PRIVATE SOUVENIR CARDS

Edward F. Beers, Jr.
(SCCS 42)

Well, Memphis and IPMS '85 have come and gone, and the same with my money. I came with some and now it is gone.

The SCCS Board meeting was successful as were all other activities at this show. The 1984 show was a delight and so was this one. Please make an effort to see us at AMERIPEX '86. This show will have a tremendous impact, and in my humble opinion will be the greatest exhibition of its kind ever to be held in the world. Wish that we had relatives or friends in the Chicago area. (We do have relatives in Florida, but no friends.)

While on the subject of friends, I do wish to comment briefly on our ongoing Editor, Robin Ellis. He is a true friend. He said one nice thing to me in Memphis. It was "hello". From there on it was all down hill. Seriously, Robin and I are the best of buddies.

My proposed American Philatelic Society forerunner cards as illustrated in SCJ-Winter, 1984 issue will officially stand as APS-F 1, APS-F 2 and APS-F 3. I had some very interesting input on this subject and I did respond to each contributor. A writer needs some acknowledgement that his works are being read for morale purposes alone.

Al Clough (SCCS 463) is in accord with the forerunners as described in the previous paragraph. He suggested that the SONEX '72 card also be included. I gave friendly Al a negative in detail. Charles Berg (SCCS 1048) had to "disagree somewhat" with my proposals, stating in particular that the 1974 card was strictly the product of the esteemed Chicago Philatelic Society and even included the logo of the United Postal Stationery Society. Good thinking, Charles, but I based my now official proposals on the presence of the APS logo on our new forerunners. Charles concludes by writing that the "CPS cards were usually produced in several colors - with a small number printed with the colors reversed. The reversed-color cards were not placed on sale, but were given as favors at the CPS banquets and are thus probably much harder to locate (smaller quantity aside)." Please send me a few dozen of these scarce varieties, Charles. Charles Shahbazian (SCCS 476) suggested the CPS card of 1973 as a forerunner, but again it shows no relationship with the APS. He did write "Yes to forerunners APS F-1, 2 and 3."

My final entry on the APS forerunners comes from John B. Denune (SCCS 1074), who is in favor of the forerunners as illustrated. Allow me to quote from John's long and most knowledgeable letter.

"I was the souvenir card chairman for the 1975 APS Show in Columbus, OH. Columbus had been selected to host the 1975 APS Show far in advance of the show, which is the normal way it is done. This is, of course, due to the fact that there is much preparation for a large national show. Shortly before the show was to take place, we received a letter from APS advising us that the APS had changed its deal with the host club. One of these changes was that the APS organization would take over the preparation, distribution, and profit of the souvenir cards. I knew that the profit from the sale of the souvenir would be an important part of our budget (Columbus Philatelic Club) and I did not want to relinquish it to the APS office. I suggested to our secretary to write APS and tell them that they could take over the entire operation of the show if they wanted to change our deal and take over the souvenir card. I am not sure if the letter was written in exactly those terms or not, but at least they left the souvenir card to us."

"I have some cards signed by Col. DeVoss, who was the Executive Secretary of the APS at the time of the show." John goes on to relate that this shows that the APS had "full knowledge of the card."

In conclusion, John advises us of a variety on APS-F 3. When it became evident that the original 1,000 cards printed would not meet the demand, he ordered a second printing "exactly as the first printing" thereby eliminating any variety possibilities. The first printing has about 2½ mm. space between the APS logo and the symbol of the Ohio Lung Association, while the second printing has a 4 mm. space and is more gray. The OLA received one half of the profit on APS-F 3. Nice John, and thanks a ton for your wealth of information.

We shall now list data available to me on adding to your private souvenir card collection. First, a reminder to always enclose SASE with your inquiries. Second, it is my thought that whereas BEP, USPS, etc., cards must be in top condition, we can be more lenient in our private souvenir cards because the mailing is done by volunteers; APDA and APS cards are exceptions. Finally, recruit. I shall repeat, recruit. PLEASE! Our numbers determine our strength.

Harold E. Gottshall, 1009 Weldon St., Montoursville, PA 17754 for Williamsport Stamp Club's LYCOPEX '85 card. 500 printed. Harold and Dr. R. B. Tobias designed card and cachet. I paid just $2 for this striking card canceled on new 44¢ Transpacific Airmail stamp. Most appropriate. For another $2, try Duncan K. Maclean, 421 Massasoit Rd, Worcester, MA 01604, for Worcester County Numismatic Society's well done card; 1,000 printed with remainder, if any, to be destroyed when next card is issued.

A.I.N.A., P.O. Box 25790, Tamarac, FL 33320 for first in series of Bank of Israel cards. 15,000 printed in Holland and sold worldwide. A must if you collect State of Israel cards. $6 mint or canceled.

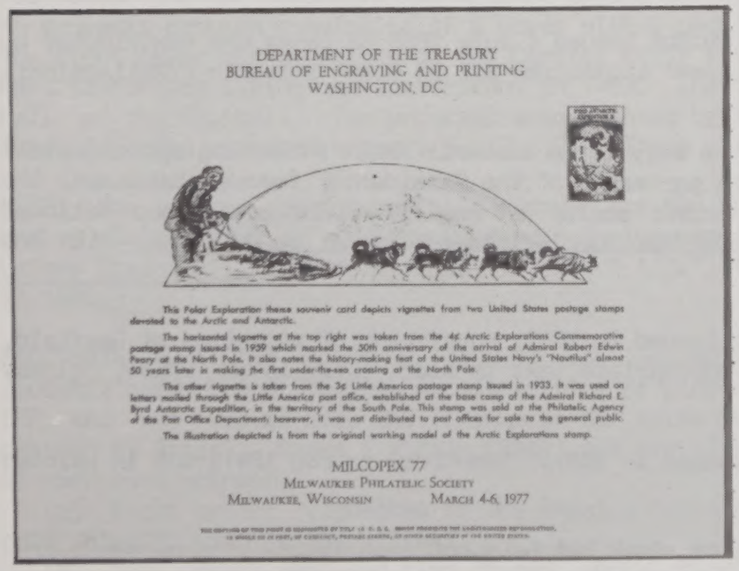
SOUVENIR CARD ERRATUM

DONALD W. HITCHCOX
(SCCS 2)

Our Summer 1984 issue discussed the B 39 MILCOPEX '77 card with the missing blue Byrd vignette. Finding this card with the Byrd vignette present but with the Arctic Explorations vignette missing would seem to be the least likely of expectations to occur but such is the case. When queried, the BEP had this to say about it:

"The MILCOPEX '77 souvenir card was produced as a 35,000-run order by a combination of the offset lithographic and intaglio printing processes. The 3¢ Byrd Antarctic postage stamp and the 4¢ Arctic Exploration postage stamp were reproduced on this card in die stamped (intaglio) dark blue and greenish-blue inks, respectively. The background illustration (tint) and the text of the card were printed with offset blue and black inks, respectively. The blue and black offset impressions were applied to six subject sheets which were subsequently cut to single subject cards for die stamping. During the printing of the 4¢ Arctic Explorations image, the press was automatically halted. With this particular die stamping press, the passage of either no card, or more than one card at once, automatically halts the printing process. When the press is "tripped" in this fashion, the last card is not stamped and is normally removed by the operator. Therefore, this card bears no impression of the 4¢ Arctic Explorations die stamp at all, and therefore appears to have passed unprinted through the press during automatic shutdown.

"The error on the submitted card does not meet BEP quality standards and should have been removed during the examining process."



DEPARTMENT OF THE TREASURY
BUREAU OF ENGRAVING AND PRINTING
WASHINGTON, D.C.

This Polar Exploration theme souvenir card depicts vignettes from two United States postage stamps devoted to the Arctic and Antarctic.

The horizontal vignette at the top right was taken from the 4¢ Arctic Explorations Commemorative postage stamp issued in 1959 which marked the 50th anniversary of the arrival of Admiral Robert Edwin Peary at the North Pole. It also notes the history-making feat of the United States Navy's "Nautilus" almost 50 years later in making the first under-the-sea crossing at the North Pole.

The other vignette is taken from the 3¢ Little America postage stamp issued in 1933. It was used on letters mailed through the Little America post office, established at the base camp of the Admiral Richard E. Byrd Antarctic Expedition, in the territory of the South Pole. This stamp was sold at the Philatelic Agency of the Post Office Department; however, it was not distributed to post offices for sale to the general public.

The illustration depicted is from the original working model of the Arctic Explorations stamp.

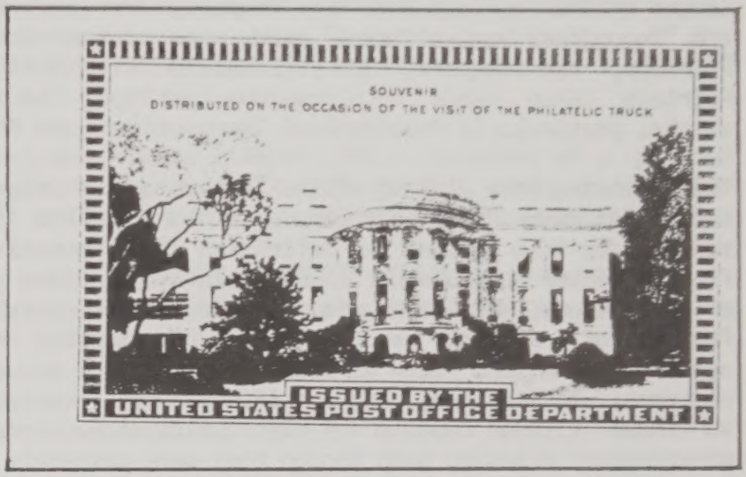
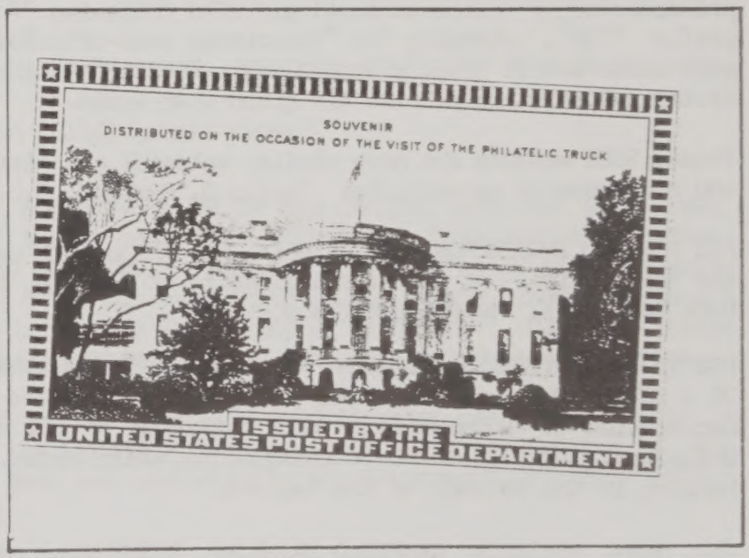
B 39 - MILCOPEX '77

Just for the record, we illustrate variant copies of F 1939a and F 1939b Philatelic Truck sheets which were miscut and should obviously not have reached the public. Bear in mind these were not miscut while being dispensed from the model press which was a part of the exhibit on the touring Philatelic truck since a miscut from the press would appear at either the top or bottom of the sheet. The sheets were fed from this press as from a coil with the White House being in a horizontal format. Besides this, as noted in the booklet THE PHILATELIC TRUCK by James H. Bruns, very few sheets were distributed from the press, it becoming evident early on that such was cumbersor and not feasible.



Variant 1



Variant 2

How and why these particular sheets exist is probably lost in the mists of time. Would you call them errors? Would you call them varieties, oddities, or freaks?

REVISION AND UPDATING - SCCS NUMBERING SYSTEM

REVISION AND UPDATE OF THE SCCS NUMBERING SYSTEM FOR FORERUNNER SOUVENIR CARDS
(CURTIS D. RADFORD, M.D. SCCS 1)

4. THE "FORERUNNER" SOUVENIR CARDS OF THE PRIVATE SECURITY PRINTING FIRMS

Most card collectors are familiar with the "official" souvenir cards produced by the United States Government security printer, the Bureau of Engraving and Printing. As we've seen in previous listings of these cards, they can be subdivided into "forerunner" and modern day souvenir cards. The souvenir cards of the private security printing firms can similarly be subdivided. Such cards are considered "semi-official" as they were printed by firms involved in governmental printing but often lacked governmental sanction. Examples of the early private security printers include the American Bank Note Co. (ABNC); Western Bank Note Co. (WBNC); Homer Lee Bank Note Co. (HLBNC); Bailey, Banks & Biddle Co. (BB&B); E. A. Wright Co. (EAW); V. G. Fischer Co. (VGF); A.G. Gedney Co. (AGG); A. W. Elson & Co. (AWE); Canadian Bank Note Co. (CBNC), and others.

The modern day souvenir card of the private security printers did not have its advent until the SIPEX Miner card was issued in 1966.

The SIPEX-Miner card as well as the subsequent, modern day, "semi-official" souvenir cards have been previously listed in the SCCS numbering system. Since at least the 1860's precursor souvenir cards have been issued by the American Bank Note Company, its predecessor firms and various other security printers. Most of the "forerunner semi-official" cards were printed as souvenirs for the conventions of the International Plate Printers, Die Stampers, and Engravers Union of North America. These are listed with the "forerunner" Plate Printers Union cards in a previous listing. The remainder of these cards were issued for other special events, particularly Presidential Inaugurations and Memorials.

The following is a listing of the "forerunner", private security printing firm souvenir cards excluding those issued for Plate Printers Union Conventions. This listing is, perhaps, the most difficult to assemble. The reason for this is that the definition of a "souvenir card" and "private security printer" may differ widely from collector to collector. For this and previous listings, "souvenir cards" have been defined as souvenirs of exhibitions, special events, Presidential Inaugurals or Memorials, and "what have you". The distinguishing feature of a souvenir card is that it is primarily intended to be a souvenir. Hence, those souvenirs with specific functions such as souvenir tickets or souvenir postal cards have been excluded. Souvenir cards, programs, invitations, and certificates are, however, listed. "Private security printers" have been defined as those firms, capable of high quality intaglio printing, who were directly or indirectly involved in governmental printing even though they were privately owned.

For the modern day private security printing firm cards, the prefix "SO," representing "semi-official" preceeded each, numbered listing. The following "forerunner" private security printing firm cards have the prefix "FSO", standing for "forerunner semi-official". Certainly, this listing is only a trial listing of such cards and is greatly incomplete. Please note that only "FSO" cards from North American companies will be listed. Quantities printed are given when known.

Those SCCS members who have similar material not listed here are asked to send photocopies with card colors and measurements as well, to: Curtis D. Radford, M.D., 19 South 13th Street, Winneconne, WI 54986.

UPDATE OF THE SCCS NUMBERING SYSTEM FOR UNPA AND UNICEF "ART" CARDS

MIKE ARMUS (SCCS 4)

In the Fall 1981 and Spring 1982 issues of the SCJ, the initial listing of the SCCS numbering system for the UNPA souvenir cards were published. The system was last updated in the Winter 1982 issue of the Journal and was, also, included in the SCCS card numbering (identification) booklet. Following, then, are further totals to bring the listing further up to date.

As you can see, we are in much better shape than we were last year; however, this does not mean that we can go on a spending spree. At best, it means that we can hold the line on any dues increase for the next year. We still need to encourage our old members to stay with us, as well as to recruit new members. We, also, need to give our thanks to those who have decided to become "Life Members"; our total includes $4,100 paid in by these fine folks. As we get in better shape, this Life Member fund will be re-built so that we may have it as a cushion for our Society. We can keep our expenses down by not having to mail out "dues reminder" notices so please read your Journal in full, remembering that subscriptions become lapsed on 30 December and a renewal check, written for 1 January, is most appreciated.

Respectfully submitted,

b. Space for tax-deductible donations to be included in future membership applications.

c. Ken Barr will contact BEP and USPS about possibility of including information about SCCS in their mailings and announcements.

8. SO 38 (Garske "Liberty" cards) available to SCCS members at $2.50 per card, or three for $5. This courtesy was transmitted to Ed Beers by Mr. Garske. Indicate your membership number when ordering from: Mr. Victor H. Garske (SCCS 1067), 1094 Worthington Road, Birmingham, MI 48009-3040.

The meeting was adjourned at 4:00 p.m. Board members then moved to adjoining room where the General meeting was to be held.

The second annual General meeting of the Souvenir Card Collectors Society was called to order at 4:06 p.m., 15 June, 1985 by Curtis D. Radford, M.D. with twenty members and guests present. Proceedings were as follows.

1. Curt Radford.

a. Described the SCCS and its membership benefits, stating that membership had stablized to about 600 members, allowing for non-renewals and new members joining.

b. Stated that SCCS is a non-profit organization, which members could use for their benefit by way of making donations to the Society.

c. Described the IPPDS&EU "Eagle" proof card program. 2500 cards printed, 500 of which went to the Union, 500 to the Essay-Proof Society (through the SCCS) as a means of assisting their fund raising efforts, and 1500 to the Society. Of this 1,500 approximately 1,300 had been ordered and mailings were expected to begin about end of June. Cost being charged by the Union is $9 per card and with our charges of $13 or $15 per card (member and non-member prices) we hope to have an approximate net revenue of about $4,000 after allowing for all expenses.

d. Asked for self-nominations from membership to all board positions.

e. Mentioned AMERIPEX '86 in Chicago as the site of our next meeting. AMERIPEX is expecting 100,000 visitors and potentially 10 - 12 souvenir cards. Volunteers were solicited to assist with SCCS participation.

f. Detailed how we would ask BEP and USPS for help in publicizing the Society in that it was a non-profit organization.

g. Described the new SCCS logo.

h. Stated that several local chapters were in the formative stage.

i. Read the Treasurers Report sent in by Jay Jackson.

2. Ed Beers. Thanked the guests and members for attending, and the current officers for their efforts on behalf of the Society.

3. Ken Barr.

a. Expressed appreciation to Coin World and Krause Publications for their past publicity to us and the field of souvenir card collecting.

b. Asked members to publicize souvenir cards and the SCCS by showing them at local coin and stamp club meetings. Also asked them to provide membership applications to these clubs, these applications being available from himself.

c. Volunteered to word-process the SCCS numbering system on IBM-PC compatible disc, using Wordstar, for the SCCS numbering system booklet, at time of reprinting.

4. Robin Ellis.

a. Told of new printer - Dover Litho - and reasons for same.

b. Mentioned that the Spring 1985 edition had been sent to the printer on 11 June 1985.

c. Mentioned that the Summer issue would be started as soon as he returned to San Antonio, and would be shipped to the printer as expeditiously as possible.

5. Curt Radford. Introduced BEP visitors Troy Coggins, Shows Coordinator, Ira Polikoff, Chief External Affairs Staff and Carl D'Alessandro, Executive Assistant to Mr. Leuver. Mr. D'Alessandro was introduced as the guest speaker.

6. Carl D'Alessandro.

a. BEP's main interaction with the public is via the souvenir card programs.

b. He is working on a program about card production planning, showing the themes, past, present and future, and their implementation.

c. Most cards based on a recurring theme using two major categories - philatelic and numismatic - each having sub-categories. Themes run concurrently, so that it may take 3-5 years to complete the 6-10 cards needed for any given theme.

d. The secondary market very important to BEP in that it is needed to encourage new participation in the primary market.

e. Subscription service being considered but will not be implemented until it is efficient, economical and profitable.

f. SCCS publicity may be used in their mailings if BEP Counsel can declare it appropriate and legal.

g. Spider press use is both helpful and profitable to BEP. Will be continued in fiscal 1986 and will appear at Cherry Hill, AMERIPEX and ANA.

h. Plans currently remain to produce eight regular BEP cards per year.

i. Satelite facility study in progress, with decision to be made as to location relatively soon.

7. Curt Radford thanked Mr. D'Alessandro and the gentlemen from BEP for their presence then adjourned the meeting at 5:20 p.m.

Since the above information about Carl D'Alessandro was written, and pasted up, I have heard that he has been appointed to head the Facilities project, a new unit at the Bureau. Obviously, nothing will fall by the wayside; someone will be appointed to take over any projects that he may have been working on and are yet incomplete.

Congratulations, Carl!

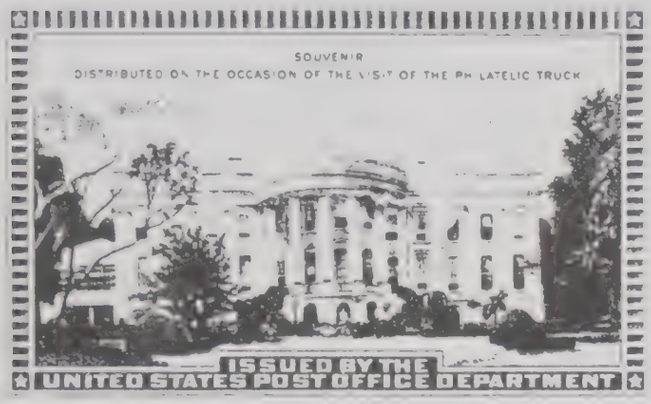
For calling them an error, if you use the definition that an error occurs when a major production step is either completely omitted or done completely wrong, and that a major production step is one involving printing and separation, then these would have to be labeled as errors.

If, on the other hand, you do not subscribe to this definition of errors, then we may be back to varieties, oddities, or freaks. Choose your poison.



Variant 3

The Indiana State Numismatic Society keeps records of their souvenir card issues and, following a trend set by the larger issuing agencies, destroys those cards not sold at the end of the issue-year. Here are the statistics on the cards they have issued.

	Printed	Sold	Destroyed
1978	1537	1466	71
1979	1482	1338	144
1980	1510	934	576
1981	1525	1106	419
1982	1750	945	805
1983	1475	786	689
1984	None issued		
1985	Currently available		

My thanks to Mrs. Letha Martin, ISNA, of Logansport, Indiana for this information.

A suggestion for those clubs who destroy their cards annually: have the borders cut off and use the vignette as an admission ticket to a future club function. More formally, leave one side attached as a tab, to be torn off upon presentation of vignette. Use of the vignette portion in this manner could save the money spent for admission tickets; if serial numbering is required, a numbering machine can be used on the tab.

SCCS MEETING AT NAPEX

More than twenty collectors turned out for the June meeting of the Washington, DC area souvenir card collectors, held at the Sheraton Hall in Arlington, Virginia during the NAPEX 1985 exhibition. While most of the attendees were already SCCS members, at least two of those at the meeting indicated that they were not members but were interested in joining.

Among the items discussed at the meeting were the formation of a local (Washington-Baltimore area) chapter of the Society, details of the 1985 Plate Printer's Union card being distributed by the Society, and Bureau procedures for printing the NAPEX show card.

Chapter to be formed

A committee was formed to set up the local chapter. It was suggested that meetings take place approximately every two to three months, that they be held whenever possible in conjunction with numismatic and philatelic events, and that they be spread out geographically in the greater Washington, DC area and ranging as far north as Baltimore.

It was decided that we should inform SCCS members in our area by mail of our plans. Meetings are tentatively scheduled for the ANA Convention in Baltimore (August 20-26) and for the numismatic show at the Sheraton in New Carrollton, MD (in October). We may have a table at the ANA event and welcome any assistance that members who will be attending may be able to provide. Please contact us at SCCS, P.O. Box 50556, Washington, DC 20004-0556 if you wish to join, to volunteer, or to receive more information.

1985 Union Bald Eagle Convention Card

A group of SCCS members from Northern Virginia has been handling the sale of the 1985 Plate Printers Union Convention Card, which pictures a Bald Eagle. Ordering information for this card was first publicized in several national stamp and coin publications (Linn's, Coin World, and Bank Note Reporter). Subsequently, SCJ Editor Robin Ellis and SCCS President Curt Radford arranged for all current and former members of the Society to receive a direct mailing, via post card, informing them of the availability of the card. If you did not receive such a card in the mail, please let Doug Hall know so that we can send you one and correct our mailing list, if necessary; see address in last paragraph.

As of 30 June, approximately 450 orders had been processed for a total of about 700 cards. As there was a sizable backlog of unopened orders at that date, it is not possible at this writing to indicate precisely how many of the 2000 cards allotted to us by the Union were sold by the 30 June ordering deadline. However, we can estimate that the remaining unprocessed orders will account for 1000-1300 cards, resulting in a projected sell-out.

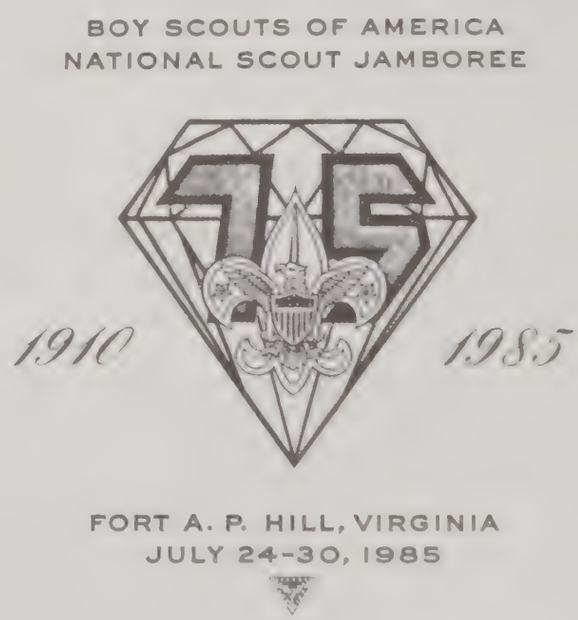
Our sales activities constitute an ideal method for the SCCS to publicize both the card hobby and our organization. Our thanks go to all who ordered the cards and to the Washington local of the Plate Printers Union which made the card available to us at cost.

We will provide a complete report on the Union card sales in the next issue of the SCJ.

Those of you who ordered the reproduction of the 1885 Washington Monument card have already received most of the information which follows. The gift shop at the Washington Monument, which had stocked this card, had only purchased 100 of them and had sold its entire stock before we could obtain a supply. At this writing we are attempting to contact the company which provided the cards to the gift shop. If we are not successful in obtaining additional quantities of the reproduction from the original vendor, we will reprint the card ourselves and offer it in a subsequent issue of the Journal.

Union produces souvenir for the BSA

The Washington local of the Plate Printers Union produced a souvenir for the Diamond Jubilee of the Boy Scouts of America. The item was distributed at this year's Jamboree, held in late July at Fort A. P. Hill, Virginia. The PPU had a display which included the spider press at the Jamboree. The card was produced in one color and is shown in the accompanying illustration. It is the approximate size of an invitation to a formal event. The dimensions of the item are 4x5" when the cover is folded (unfolded dimensions are 8x5").



MAIL BID AUCTION

This Auction once again presents a slightly different format in the descriptions of the lots being offered. This has come about as the result of an extensive discussion at the Board of Directors meeting at the Memphis Paper Money Show this past week. The objective is to more economically present the auctions without decreasing the size of the offerings or increasing the cost to either the consigners or the bidders. To date, the auctions have averaged from three to five pages in length. With this Auction, a number of changes are being initiated that hopefully will decrease the space required by approximately 50%. First of all, the descriptions of the lots being offered have been somewhat streamlined---the name (or title) of each card used in the past has been eliminated. Instead, only the SCCS numbering system is used. Those cards requiring further explanation (cancelled cards or those that are not listed in the SCCS numbering system) have had the descriptions somewhat abbreviated from those presented in past Auctions.

The second area of change is the use of as many abbreviations or contractions as possible in the lot descriptions. A tabulation of the terms used has been included in the AUCTION BIDDING RULES. Please reread this section carefully for an explanation of each of the terms.

One additional change is planned for the future Auctions. Starting with the FALL 1985 AUCTION, the minimum bid for each lot will be increased from the current $2.50 to $5. This will increase the revenue realized on a per-lot basis while at the same time helping to decrease the length of the Auction writeup. Consigners are requested to make appropriate adjustments in their groupings of items sent for future Auctions. Those lots remaining unsold from the SPRING and SUMMER AUCTIONS will be regrouped by the Auction Manager to achieve the new minimum lot value requirement, where possible.

With the preparation of this SUMMER 1985 AUCTION, the supply of newly consigned materials grows low. Now would be an opportune time for consigners to submit materials for the up-coming Auctions.

AUCTION BIDDING RULES

1. MAIL BID CLOSING DATE: BIDS MUST BE POSTMARKED NO LATER THAN 35 DAYS FROM THE MAILING DATE OF THE JOURNAL. (see outside back cover for date of mailing)

2. Send all bids and auction correspondence to the Auction Manager; Vern Potter, P.O. Box 10040, Torrance, CA 90505-0740. Telephone inquiries may be made between 5:00 and 10:00 p.m. - (213) 326-0406.

3. Bid by lot number only. Multiple item lots will not be broken. The earliest postmark will decide tie bids. Bidding in odd amounts (example: $5.03 instead of $5.00) will greatly reduce the possibility of tie bids.

4. Bid only on those lots that are wanted. Single bids on multiple lots cannot be accepted. An example of this would be: "Please place a bid of $10 on Lot 93 or Lot 94 or Lot 95. I only want one of them---not all of them". Because of the manner in which the Auction is processed, this type of bid cannot be accepted.

5. All items will be sold to the highest bidder. No bid reductions will be made.

6. Please observe a minimum bid of $2.50 per lot. Some lots are marked with "S/B (Starting Bid) $0.00" following the description. These are the minimum acceptable bids as established by the consigners.

7. Attribution, where possible, is to be in accordance with the SCCS numbering system. Alternate attribution will be specifically noted.

8. Consigners are to attribute all materials submitted for the auction. Lots incorrectly attributed may be returned by the bidder within 7 days of receipt. Reasons for return must accompany the lots. Consigners are responsible for grouping and identifying multiple card lots.

9. Successful bidders are requested to remit payment within 5 days of receipt of their invoice; terms are payment in full by U.S. fiscal paper (cash, check, etc.). Late payments will result in disqualification of the bidder.

10. Lots will be shipped, securely packaged, by U.S. Mail. Bidders shall pay the packaging, postage and insurance costs which will be included in the bidder's invoice.

11. The Auction Manager reserves the right to withdraw any lot and to reject any unrealistic bids.

12. A prices-realized list will be available shortly after the closing of the auction. Bidders and consigners will receive copies with their invoices. Others may obtain copies by submitting a small SASE to the Auction Manager.

13. Abbreviations used in the preparation of the Auction are as follow:

FDC------First Day Cancelled
FDSC-----First Day Show Cancelled
E/V------Estimated Value
S/B------Starting Bid

NOTE Many of the earlier cards sold in "mint" condition by the UNPA were later used to make up hand-cancelled first day and other specialty cards. Hence, the "mint" figures may be considered as somewhat high.

The UNICEF "Art" cards are really souvenir post cards but many collectors consider them to be souvenir cards. Using a standard postcard format, the UNICEF cards present a famous painting on one side. These are made available to the public at various international stamp exhibitions, and by mail from UNICEF. The first "Art" card was made available mint as well as cancelled; however, all subsequent cards were only sold cancelled on the first day of the show on the stamps of the host (exhibition) country. In addition, the art cards have a special UNICEF imprint for each show on them. The Essen show (1981) art card portrays a cachet of a landscape by Albrecht Durer, and this same card was used for the first four shows. Starting with the Kiel card (1981) a

SHOW ATTENDANCE SCHEDULE

BUREAU OF ENGRAVING AND PRINTING

The Bureau of Engraving and Printing has announced its schedule for attendance at philatelic and numismatic shows. In addition to sending representatives to each show, the Bureau will issue a souvenir card commemorating each one.

Bureau Director Robert Leuver said, in the press release announcing the schedule, "We carefully reviewed each of the numerous invitations received by the Bureau. We were honored with the invitations from so many top-notch events, it was very difficult to make a selection of only eight." These eight shows were selected on the basis of geographic location and expected attendance in order to provide maximum opportunity for people nation-wide to view samples of security documents produced by the Bureau.

The schedule is:

1. International Paper Money Convention (IPMC), Cherry Hill, NJ 14-17 November 1985. (2)
2. Florida United Numismatists (FUN), Tampa, FL 2-5 January 1986.
3. American Numismatic Association (ANA), Salt Lake City, UT 19-23 FEbruary 1986.
4. Garfield Perry Stamp Club, Cleveland, OH 21-23 March 1986.
5. International Philatelic Exhibition (AMERIPEX '86), Chicago, IL 22 May - 1 June 1986. (2)
6. International Paper Money Show (IPMS), Memphis, TN 20-22 June, 1986.
7. American Numismatic Association (ANA), Milwaukee, WI 5-9 August 1986. (2)
8. Houston Philatelic Society (HOUPEX '86), Houston, TX 6-8 September 1986.

For three of these shows - those for IPMC-Cherry Hill, AMERIPEX-Chicago and ANA-Milwaukee - the Spider Press will be on display, and operational.

Further, three shows will have another exhibit, a "first" for the Bureau. An Engraver will be present at each show, with the tools of their trade, and will demonstrate how some of our fiscal documents are made in part, by their efforts. The shows honored will be those at Cherry Hill, Tampa and Chicago.

You may have wondered what the designation "(2)" meant, after the listings for three shows. It designates two cards are to be issued, with the second card being one of the Bureau "special" offerings.

In a concurrent news release with the show schedules, the BEP announced that the special cards for next year will have a theme of the "Liberty Bell". As with its predecessor cards, the Eagle and Statue of Liberty, this card will be intaglio engraved. The original die was engraved in 1917 and was first used on a souvenir card that celebrated the sesquicentennial anniversary of the American Revolution. Also, as before, this special card will be printed on the Spider Press.

When the time comes - having read ordering instructions in the SCJ or other media - cost will be $15 at the show or $16.50 by mail. Item numbers will be 418 (Cherry Hill), 419 (AMERIPEX) and 420 (Milwaukee). While not mentioned in the press release, presumption is that the colors will change for each show.

To expand on the previous paragraphs slightly, courtesy of a later release from the Bureau, and at the risk of being a little repetetive, here is further information about the items to be sold at the various shows (and from the Bureau in Washington). POC - Post Office Cancelled, and LBP - Liberty Bell Prints.

SOUVENIR CARDS CURRENTLY AVAILABLE

Following are the cards that have been offered since the last quarterly Journal was published. If you know of cards not herein listed, now or previously, I would be pleased to hear from you with details.

Due to the number of cards presented for sale, information about them is kept relatively sparse (and sometimes I can find no expanding details, especially about local cards). Further, addresses of the main issuers is given once, following, to conserve space. Addresses are: Bureau of Engraving and Printing (BEP) - "Mail Order Sales, Room 602-11A, 19th and C Streets S.W., Washington, DC 20228"; United States Postal Service (USPS) - "Philatelic Sales Division, Washington, DC 20265" (cards available at philatelic sales units nationally; by mail a minimum order of $5 is required, plus 50¢ handling fee. USPS accepts Visa and MasterCard; send them all upraised lettering on card, to include expiration date); American Numismatic Association (ANA) - "Post Office Box 2366, Colorado Springs, CO 80901".

Also, United Nations Postal Administration (UNPA) - "Post Office Box 5900, Grand Central Station, New York, NY 10163"; Society of Paper Money Collectors (SPMC) - "John Wilson (SCCS 577), P.O. Box 27185, Milwaukee, WI 53227"; American Stamp Dealers Association (ASDA) - "5 Dakota Drive (Suite 102), Lake Success, NY 11042".

SASE: Self addressed stamped envelope.

BEP will provide, for the ANA-Baltimore convention, 20-25 August 1985, a card showing the reverse of a Series 1882 $500 Gold Certificate. (The front of the card was featured for the 1984 ANA convention.) The note reverse shows an eagle in flight clutching an unfurled flag in its talons. This is Item 914 (mint) and Item 915 (cancelled) with cost at $3 on site at the convention and $4 by mail, mint, and $4.50, cancelled. If ordering a cancelled card the stamp will be the small "Flag over the Capitol" 22¢ issue.

USPS, for ARGENTINA '85 (5-14 July 1985) features flowers on its card. The card, for the fifth World Exposition of Thematic Philately and eighth Interamerican Philatelic Exposition, shows reproductions of the 1978 U.S. 15¢ Rose booklet stamp (Scott 1737) and the 1960 Argentinean 1+1 peso Passionflower semipostal stamp (B27); text is in Spanish. Printed by BEP in intaglio and offset, the card is 6x8", and will cost $2, mint, and $2.20 cancelled; cancellation will be over the 22¢ flag stamp.

The Americana Unit of the American Topical Association will issue a vertically oriented 4x6" card for NEVPEX-TOPEX '85. The card shows a reproduction of the 1964 5¢ Nevada Statehood commemorative stamp in brown on a yellow card stock. Site of the show was Reno, in June. Cards are $1 each plus a Number 10 (legal) SASE; cards without a stamp or show cancellation are 25¢. Order from Donald Brenke, Post Office Box 179, Washington, DC 20044.

The Precancel Stamp Society will hold its national convention in Vincennes, Indiana 7-10 August 1985. Hosted by the Illini Precancel Stamp Club, the Precancel Society will offer cacheted envelopes (featuring Fort Sackville, captured from the British by George Rogers Clark on 26 February 1779), strips of seals and, as a filler-stiffener for the envelope, a souvenir card with text relative to Vincennes and Fort Sackville. The vignette on the card is of the 1929 2¢ red GRC commemorative (Scott 651), precancelled "VINCENNES IND." The cards are 50¢, sheet of 12 seals 25¢, cacheted envelope 25¢, and postage and handling is 50¢. The cancellation will be the normal circular canceller with Vincennes featured, and the killer bars will be "ON THE BANKS/ OF THE WABASH/Precancel Station". Cancel is optional. Write to Carl Moore Jr., 3009 Kingsley Drive, Decatur, IL 62521-5647; checks payable to Mr. Moore or "PSS Convention".

ST. GEORGE PHILATELIC SOCIETY offers the fifth in a series of seven cards reproducing the Royal portraits on the 1937 Australian definitive stamps. Card has a reproduction of their $2 (broken bank) note and features vignettes of Morris Canal, operational from 1831 to about 1931. The club proposes to issue, for 1985, a note of $3 denomination from the canal company; some cards of 1984 ($5 denomination) are still available. The club prints 200 copies, only, of their card. For information: Harold Flartey, P.O. Box 67, Wharton, NJ 07885.

ASDA salutes film stars in honor of the early July show, in Los Angeles. "Salute to the Stars" features three stamps related to past movies, two having been issued by France and one by San Marino; the card is LOS ANGELES '85. Another recent issue celebrates the 40th anniversary of the United Nations and shows the U.S. "Toward United Nations" stamp and a UN issue for the 1965 International Cooperation Year. Each stamp is $3.50, mint or $4.50, cancelled.

SULLPEX '85, annual show of the Sullivan County Philatelic Society, was represented by a local-history themed card at the show in late July. Featured were four Sullivan County resorts - "Remembering Past Glories" - and vignettes from same

JEFFERSON MEMORIAL CARD (Variation)

F 1973C Jefferson Memorial card, produced by the Plate Printers Union and sold to benefit Children's Hospital. A quantity of these were, apparently, left over after 1,000 cards were embossed and cancelled. These leftovers were cut to envelope size, the then-new 10¢ Jefferson Memorial stamp was added, and the 'First Day of Issue' machine cancel was applied. These items vary from F 1973C in that they were not embossed and they received a machine cancel rather than a hand cancel.

Priced at $14 each, or two for $25, they are much less than the original sells for and, also, much less common.

Terms: Payment with order, please. We pay postage. Ten day return privilege.

When submitting text for ads, please ensure that it is legible, understandable (many philatelic abbreviations need an explanation), and not all-encompassing of the total space required especially with regard to margins; a "busy" ad is no guarantee of results. Items for use as illustrating material must not be affixed to the proposed ad unless the ad is professionally prepared (which means that the Editor will have to spend no time in preparing it for the printer). Feel welcome to submit a suggested schematic of the proposed ad illustrations with your text.

While not a requirement, it is strongly suggested that the SCCS numbering system be used when an ad is proposed. The system works and competently identifies souvenir cards according to category and issuer.

This is just a partial list. Send SASE for comprehensive philatelic event items price list; satisfaction guaranteed.

framed into a map of the county. Cards are $2, mint or cancelled; cancellation is with a Locomotive coil stamp. Order from Art Rosenzweig, P. O. Box 230, Monticello, NY 12701.

International Stamp Collectors Society offers a three-in-one card at their August shows. A jumbo sized card will be given away to all attendees at STAMP EXPO '85/CALIFORNIA and STAMP EXPO '85/WEST; featured are three vignettes: International Youth Year, Queen Mother's 85th birthday, and a Grenada 90¢ stamp honoring John J. Audubon. Card, by mail, is $3, mint or $4.95 with either show cancellation; from STAMP EXPO, P. O. Box 854, Van Nuys, CA 91408.

Two reasons why your SCJ may not be delivered to you - failure to pay your dues (just prior to 1 January of any given year), and failure to file a change of address with Dana Marr when you move.

At ANA-Baltimore, check the bourse table diagram for location of SCCS table. (Not known to me at time of this writing.) General membership meeting tentatively set for 11 a.m. on Tuesday, 20 August in Room 312, Baltimore Convention Center.

Reproduction of any part of this publication is not permitted without prior authorization which will, however, be readily given.

SOUVENIR CARDS

Everybody likes to be given something, when at no cost to them; in other words - FREE! I cannot afford to give everyone "something for nothing" - who can? - but I will give everyone placing an order of Ten Dollars, or more, a choice of one of two souvenir cards, at no cost to them. You may choose either the B 35 INTERPHIL 1976 Independence Hall card or the F 1981E BALPEX card. If your purchase is $25, or more, you will receive the B 41 ANA 1977 card FDC at no cost.
